Work Experience / Projects

Solo Projects

I have created a fully working 2d platformer puzzle game, a multiplayer shooter game, and Minesweeper in HTML.

Group Projects

I have done a lot of group projects one of the major projects was doing the camera animation and level placement in Unreal Engine.

Internship

While doing my internship at SEAMEDU i worked on some virtual production projects in Unreal Engine and led the main technical team. I also learned a lot about data management there.
